# Kurt Jacob Urquico

Web Developer

Manila, National Capital Region, Philippines

## Summary

Thriving as a computer science student, I developed a fascination with Web technologies. Interested in design principles and innovations of automation.

As a student programmer, I created technologies where I utilized my earned skills and knowledge within the past few years. I aspire to become a Full-Stack Developer for social good

---

## Experience

Web Developer

2022 - Present (1 year)

### GOTHONG SOUTHERN FREIGHT

Web Developer

July 2023 - August 2023 (2 months)

Manila, National Capital Region, Philippines

A 240-hour practicum in Gothong Southern Shipping Lines Inc. - Manila, Philippines

Developed and Deployed three functional systems, each contributing to enhanced operational efficiency and streamlined processes.

Collaborated with cross-functional teams to ensure seamless integration and user-friendly interfaces.

Utilized advanced technologies and best practices to create innovative solutions that addressed specific needs.

### Center for International Trade Expositions and Missions (CITEM)

IT Support Technician

2019 - 2019 (less than a year)

Pasay, National Capital Region, Philippines

An 80-hour work immersion in Department of Trade and Industries - CITEM  
Philippines

Assisted and Provided solutions to multiple technology-related issues in a  
timely and effective manner, and worked to minimize downtime and disruptions  
for end-users

---
